

EXHIBIT A

**DECLARATION IN SUPPORT OF
PLAINTIFF'S REQUEST FOR ATTORNEYS' FEES**

"I, Jim Dunnam, under penalty of perjury, declare as follows:

"My name is Jim Dunnam. I am over 18 years of age, and I live in McLennan County, Texas. I have never been convicted of a crime, and I am fully competent to make this Declaration. I have personal knowledge of the facts stated herein, and they are all true and correct.

"I am the attorney for ProTradeNet LLC and Dwyer Franchising LLC in Consolidated Civil Action No. 6:18-CV-38-ADA in the United States District Court for the Western District of Texas – Waco Division. I am familiar with the file, records, and pleadings in this matter.

"I am an attorney licensed to practice law in the State of Texas, and have been licensed since May 1988. I am Board Certified by the Texas Board of Legal Specialization in Civil Trial Law, an area and category of law within which the present case is situated. I have been licensed in the Western District of Texas since September 7, 1989. I am also licensed in the Eastern District of Texas, the United States Court of Appeals for the Fifth Circuit and the United States Supreme Court. I am also licensed to practice law in the State of Colorado.

"I have represented the ProTradeNet LLC and Dwyer Franchising LLC in this action since its inception, and I am familiar with cases such as the present case, having fully handled numerous similar cases. I am fully familiar with all of the proceedings in the present case. I am fully familiar with the amount of work necessary to handle a case of this nature and the reasonable fees for such work in McLennan County and in the Waco Division of the Western District of Texas. My opinions are based on the factors established in *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714, 717-19 (5th Cir. 1974), those included in Rule 1.04 of the Texas Disciplinary Rules of Professional Conduct, the attorneys' fees standard set forth by the Texas Supreme Court, as well as my participation in this case, my prior experience and additional factors such as the following: the time and labor involved, the novelty and difficulty of the questions involved, and the skill required to perform the legal services

properly; the likelihood that the acceptance of the particular employment will preclude other employment by myself and my firm; the fee customarily charged in the present locality for similar legal services; the amount involved and the results to be obtained; the time limitations imposed by the client or the circumstances; the nature and length of the professional relationship with the client; and whether the fee is fixed or contingent on results obtained or uncertainty of collection before the legal services have been rendered.

“I have attached as Exhibit A to this Declaration a true and copy of the bill for work conducted by my firm, Dunnam & Dunnam LLP, in this case. By virtue of my duties I am familiar with the manner by which these records are created and maintained. These records are kept in the regular course of business. The records were made at or near the time of each act, event, condition, opinion, or diagnosis set forth. The records were made by, or from information transmitted by, persons with knowledge of the matters set forth. It is the regular practice of the business activity to make the records. The records attached are original or exact duplicates of the original.

“In the attached records, for the present case my time is billed at the rates reflected in Exhibit A. The time spent and amount charged reflected in the records for me are reasonable and necessary.

“My legal associate, Andrea Mehta, billed for the present case at the rates reflected in Exhibit A. She has been licensed to practice law in the State of Texas since November 4, 2011 and has been licensed to practice law in the Western District of Texas since May 23, 2017. I have personally reviewed all the time recorded by Ms. Mehta in this matter. The time spent and amount charged reflected in the records are reasonable and necessary.

“My legal associate, Eleeza Johnson, billed at the rates reflected in Exhibit A. She has been licensed to practice in the State of Texas since May 2, 2008 and is licensed to practice law in the Western District of Texas. I have personally reviewed all the time recorded by Eleeza Johnson in this matter. The time spent and amount charged reflected in the records are reasonable and necessary.

“My former legal intern and current legal associate, Mason Dunnam, was billed at the rates reflected in Exhibit A. He has been licensed to practice law in the State of Texas since November 2019 and is licensed to practice law in the Western District of Texas since January 13, 2020. I have personally reviewed all the time recorded by Mason Dunnam in this matter. The time spent and amount charged reflected in the records are reasonable and necessary.

Legal assistant time of Nicole Ratliff, Marie Zapata, and Leianne Eakin, as well as Baylor law student interns, are billed at the rates reflected in Exhibit A. I have personally reviewed and have knowledge of the time that Ms. Ratliff, Ms. Zapata, and Ms. Eakin, as well as Baylor law student interns on those bills, incurred in this case working directly for me and at my direction and supervision. The time spent and amount charged as reflected in the records are reasonable and necessary.

“These billed fees are supported by the detailed invoices and billing records set forth as Exhibit A. The time expended on this case was reasonable and necessary. The costs incurred were necessary for the litigation of this case and reasonable in amount. In determining the Lodestar a court should usually consider the actual hours devoted to the case and the market hourly rate for the lawyer in question. It is my opinion the fees and expenses claimed in the provided statements are reasonable and necessary.

“Assuming the case is appealed to the United States Court of Appeals for the Fifth Circuit, and ProTradeNet and Dwyer are successful, I estimate that a reasonable and necessary attorneys’ fee to handle such an appeal would be \$100,000.00.

“I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.”

Executed on March 2, 2020.
